## Summary

I am a student at the University of Illinois Urbana-Champaign, majoring in Computer Science and Philosophy. With regards to programming, I am proficient in C++, Java, and Python, but I always enjoy learning new languages and techniques. I am interested in a job for a wide variety of disciplines, including those not listed on the resume. Typically I spend breaks at the University of Illinois, or my home in Long Island, New York, but I would be willing to work anywhere or do remote work.
